CHAIN & BAR OIL HEAVY DUTY OIL

DESCRIPTION Chain & Bar Oil - Heavy Duty is an extremely adhesive lubricant blended for lubrication of the chain bar and sprocket on all types of chain saws and driven machinery. High resistance to throw off by centrifugal force and retains its ability to penetrate the critical area of the roller pin.

APPLICATION Chain & Bar Oil - Heavy Duty is a tacky lubricant blended to a higher viscosity for the lubrication of the chain, bar and sprocket on all types of chainsaws.

Also recommended for any chain driven equipment, motor cycles, sprockets and farm machinery.
