Technical Data Sheet

Penetrene Bulk

The red oil that creeps

Description

Penetrene Bulk is a protectant, lubricant and rust penetrator specifically designed to meet the needs of automotive and industrial users, trades people and professionals.

Product

Penetrene Bulk is a heavyweight protectant, lubricant and rust penetrator. Unlike similar products Penetrene's unique chemical composition keeps on working. The solvent base doesn't evaporate as quickly as others which allows the lubricants to keep penetrating. Industrial strength Penetrene has superior ability to penetrate rust and grime, lubricate moving parts and protect all metal tools and parts from rust and corrosion.

Features

PENETRATES

Loosens frozen and rusted metal parts and nuts and bolts with ease.

LUBRICATES

Working parts move smoothly. Chains, machining tools and filling equipment run with ease. Stops squeaks on hinges, moving parts, springs and locks.

PROTECTS

Apply to protect against rust and corrosion. Use on all metal parts, tools, instruments, garden and sporting equipment.

CLEANS

Used on most surfaces it effectively cleans tar, grease, oils and grime.

DISPLACES MOISTURE

Repels moisture off metal surfaces, wet engines and marine equipment.

Use Instructions

Saturate affected area with **Penetrene** and allow to soak for several minutes. Tap lightly. Parts loosen easily.

Properties

Appearance : Red Oil
Flashpoint : 70°C Closed Cup
SG (21°C) : 0.8

Contains Liquid Hydrocarbons 750g/L

Safety Directions

- If swallowed DO NOT induce vomiting. Seek immediate medical advice.
- Keep out of reach of children.
